

# Forcible Entry Skills Training

## Class Dates & Times

**Forcible Entry Instructor Train the Trainer – Saturday, February 22**  
**This class is for Certified Instructors Only**

**Forcible Entry for Firefighters and Officers – Sunday, February 23**

**Both Classes are from 7:30 am to 5 pm**

### **Forcible Entry Instructor Train the Trainer for Instructors – Saturday, February 22, 7:30 AM - 5:00 PM**

This program is for certified Instructors that would like to lead their department in training on the various Forcible Entry Skills and Props that can be accomplished at the MAAC.

The day will start with an orientation of the types of props and tools and equipment that is available. The rest of the day will be spent rotating in small groups through the actual skill demonstration and hands on aspects of each Forcible Entry Prop.

Students will need PPE & SCBA w/spare bottle. Students will be on air during cutting evolutions.

### **Forcible Entry for Firefighters and Officers – Sunday, February 23, 7:30 AM - 5:00 PM**

This program is for Firefighters that would like to advance their Forcible Entry knowledge and skills on the various props at the MAAC.

The day will start with a safety briefing and immediately move through a series of skill demonstration and hands on skill development for each aspect of Forcible Entry.

Some of the skills will involve Forcible Entry through both Industrial and residential doors, overhead doors, windows and glass removal, through the lock efforts, padlocks, use of saws in forcible entry, managing drop bars, etc.

Students will need PPE & SCBA w/spare bottle. Students will be on air during cutting evolutions.
